**3) Proposed starting date:**

**Proposed duration of study:**

**Proposed territorial coverage:**

Please tick one response.

**UK and Ireland**       **UK only**       **Regional**  .....

**4) Case definition**

Please give careful thought to providing a precise and practical definition (based on symptoms/signs/investigations) that will be understood by paediatric neurologists. Use an internationally accepted case definition if at all possible and reference previous studies if relevant.

**Case definition:**

**Age range for cases:**

**Inclusion criteria:**

**Exclusion criteria:**

**5) Expected Numbers**

Please supply an estimate of the number of cases expected each year, i.e. yearly incidence rate. Provide a reference or an explanation for this estimate. Please also indicate the source of denominator data for calculating incidence.

**Expected numbers (per year):**

**Source of denominator data:**

**6) Ethical approval**

The majority of studies will require research ethics committee (REC) approval.

- If this is an audit study that does not require formal ethical approval, please forward to the BPNSU a copy of the confirmation from your REC that ethical approval is not needed.
- If this study does have ethical approval, then please forward a copy of the ethics application and a copy of the approval letter.

**7) Research questions/surveillance objectives**

Please indicate below the type of study that you are intending to undertake. **It should be noted that the BPNSU is only acting as a conduit between the investigator and anonymised cases. It does not provide any direct contact with patients.**

- Surveillance
- Case Registry
- Incidence or Prevalence study
- Cohort study
- Case-control Study
- Interventional Study (e.g. therapeutic trial)
- Audit

**8) Methods**

Please provide clear details of the study methodology you intend to employ to answer your research questions. Please forward a copy of your study protocol and/or COREC form with this application form.

**9) Alternative sources of data**

Will alternative sources of data, other than the BPNSU, be used for case ascertainment (e.g. laboratory data, hospital activity analyses etc)?

Yes

No

If yes, please describe:

- a) the sources you intend to use (add any statements of support as appropriate)
- b) the purpose of this additional source
- c) how data will be collected and then matched between sources
- d) the proposed analysis you intend to conduct

- Has your questionnaire been piloted?

Yes

No

- Is a follow-up questionnaire planned?

Yes

No

If yes, please give details (including timing of follow-up).

### 11) Funding arrangements

Please outline the funding arrangements for your study.

BPNSU Costs: If your project is accepted you will be charged £1200 for up to 2 years (even if a project is 1 year) of your study. An invoice will be raised and sent to you on acceptance.

Any extra years that may be added would be a further £600 per year..

Funding arrangements should not only cover the BPNSU fee costs but also administrative costs including research assistance/secretarial salaries/stationery/postage etc.

The BPNA will send an invoice to you when your study is accepted onto the BPNSU website. Please provide the following information:
